## Overview of MIT Hostels

Madras Institute of Technology Hostel was established during 1949 which has been rendering outstanding services to the cause of welfare of students. The Hostel not only believes in transparent administration but also in establishing sound systems and procedures and implementation of the same to achieve the goal. Over the period of time the MIT Hostel has established such systems, procedures and rules for an effective administration.

The MIT campus Hostels has excelled in providing a good ambience and perfect accommodation for students those are from different culture and social backgrounds. The Hostels sprawled across Main and Annex Campuses to conduct various extra and co-curricular activities and to bring up leadership qualities from the students. There is a separate accommodation and mess facility for General Boys, General Girls, NRI Boys and NRI Girls Students. A wide range of facilities such as 24 x 7 Power Backup, RO drinking Water, Internet, Water Heater, Indoor games, GYM, Library, Conference Room, TV hall, Reading Room and Meditation Hall are incorporated in hostel blocks. MIT Hostels conduct various training programmes for the holistic development of the students. MIT Hostels can accommodate around 1500 students.

Hostel Administration consists of Warden, Executive Warden, Deputy Wardens, Residential Counsellors, and Students Representatives. The administrative committee monitors the Hostel and Mess facilities and addresses the grievances of the students.

## Vision of MIT Hostels

The vision of MIT Hostels is to provide best facilities for a safe and comfortable stay and to maintain a conducive environment for the students, where knowledge is shared, creativity is developed and fraternity exist in a cross cultural background, which in turn will help the students to excel in a academics and management skills.

## Mission of MIT Hostels

- To provide a safe environment which foster the residing students to excel in academics and extra and co-curricular activities.
- To provide nutritious food, resources for extracurricular activities, medical needs that aid in the holistic development of students.
- To maintain a group of staff and hostel representatives who are dedicated toward the welfare of students through a feedback management system.
